

Our challenge...His solution

From our first Sunday in 1980 with 28 people gathered in an elementary school to a congregation today of almost 2000, Northview has been truly blessed. From the early school days, to our first church at Gray and 131st, to our present campus on the hill, the Northview family continues a proud tradition of growth and ministry improvement.

Good news!

We are so grateful to God for sustaining and nourishing our family in countless ways, allowing our people to grow and prosper in faith. As we move forward, we do so knowing that God will continue to bless Northview for generations to come.

Better news!

We are blessed with a tremendously dedicated church staff and an abundance of energetic and committed lay leadership who have a vision for future growth and ministry here at Northview.

The best news!

We serve a God of grace and mercy who is eager to work through us to grow His Kingdom here at Northview Christian Life Church by sharing the good news of Jesus Christ. We celebrate our faith and heritage, and praise the Lord for blessings of the past... and a future of grace yet to be fulfilled.
