

The Vision to Fulfill

Our plan is a simple one—a call to sacrificial giving over the next two years to complete the facility and to reduce debt. The dollars we save will go to service the programs that minister on a regular basis to the needs of God's people.

- A commitment of \$850,000 in pledges would eliminate the existing short-term debt.
- A commitment of \$950,000 would eliminate the short-term debt and finish the upper level.
- A commitment exceeding \$950,000 would handle the first two objectives with the remainder applied to reducing our 15-year mortgage.

These goals are both spiritual as well as financial. We have committed our work to the Lord in faith. He, in turn, has established our plans and promises to direct our every step.

God has given us *His Vision to Fulfill*—a vision that requires both sacrifice and commitment. But God has also given us His promise—a promise that our sacrifices will continue to be met with His richest blessings.

One of the most important commitments we can make to fulfilling God's plan for Northview Christian Life is a sincere dedication to prayer for the success of this endeavor. Powerful works

are accomplished when God's people pray together for His guidance, strength, and unity.

- Pray for wisdom for the leadership of our church.
- Pray for God's guidance in our personal commitment.

- Pray that God will be glorified in all we do.

From our first humble beginnings through today's call to share in God's plan for the future, we step forward in faith—*His Vision to Fulfill*.

Now he who supplies seed to the sower and bread for food will also supply and increase your store of seed and will enlarge the harvest of your righteousness.
