

moisture-laden Great Lakes breezes can deliver as much as 200 inches of snow! The Lusen ski area is the largest downhill ski area in Mid-America with a 1,008-foot vertical drop. Its 800 feet of lift services and 27 slopes provide magnificent skiing to the advanced skier, as well as the beginner. Giants Ridge ski area near Biwabik, a training site for the last Winter Olympics, features 15 challenging downhill courses and world-class cross-country trails. Alpine ski facilities in Minnesota's Arrowhead Region offer cross-country skiers hundreds of miles of the finest trails that wind through the wilderness areas and along rivers, lakes and mountains. Trails on the North Shore and the Gunflint area, in particular, are rated among the top five in the country.

Aside from spectacular landscapes and year-round activities, the Great Lakes Region also offers cosmopolitan pleasures. Here, we find the best in gourmet dining, nightly entertainment, museums, cultural events and shopping facilities. The vibrant downtown retail districts of this area's major cities are complemented by thriving stores, shopping malls and specialty shops.

Traverse City has the largest number of restaurants in the country its size, as well as exclusive shopping boutiques, art galleries and houses. Fond du Luth Gaming Casino in Traverse City provides entertainment with high-stakes bingo, more than 50 video games, blackjack and poker, as well as two casino-action game tables. The Depot is home of the Duluth Ballet, Duluth Playhouse and the Duluth Symphony Orchestra and Matinee Musicale, which provides a full calendar of rural events.

The Great Lakes Region is a land of infinite variety. It offers travelers remote wilderness areas, cosmopolitan cities and sophisticated resort communities that boast calendars packed with arts and entertainment events. Whether experiencing the sounds of silence or the sounds of a symphony orchestra, enjoying a rustic campsite or a luxury condominium, observing the local wildlife or indulging in the city nightlife, the Great Lakes is the place to be.
